

Dear Community Partner:

Please join us for the 3<sup>rd</sup> annual Berkeley Heights 5K Race for Mental Health, **presented by the Kimberly Anne Wilson Foundation on Sunday, September 20, 2026**, at Veterans Memorial Park. The race is an officially sanctioned **500 Grand Prix USATF event** that attracted more than 620 runners last year.

The Kimberly Anne Wilson Foundation, a 501(c)(3), was created in memory of Kim Wilson, a Berkeley Heights, New Jersey resident who passed away in 2017 at the age of 24. Kim was passionate about supporting those who struggled with mental illness, which ultimately led her to pursue an education and career as a counselor in the mental health field. Through this Foundation, we seek to support her legacy of kindness and empathy toward others.

The Foundation provides mental health presentations, kindness-themed programs, anti-bullying initiatives, music, art, and pet therapy, social-emotional learning tools, parent and teacher wellness presentations, individual counseling for economically disadvantaged high school students, wellness fairs, and, recently, a program titled Screenagers, which discusses the effects of social media and gaming on kids' mental health. To date, we've positively impacted over 15,000 students, 50 schools and organizations.

By becoming a sponsor, you can impact the lives of children in your community. Explore the attached sponsorship opportunities to see how you can support this initiative.
